

Dear Prospective Volunteers and Interns:

Thank you for your interest in volunteering or interning with the Center Against Sexual & Family Violence - **casfv**. You are a special group of individuals who understand the importance of our work in breaking the cycle of violence. Our organization depends on people like you to help us move forward with programs that change lives.

Several community agencies have come together with our **casfv** staff to thoughtfully plan a comprehensive domestic violence and sexual assault training program for our volunteers and interns. Due to the nature of the services **casfv** provides, we adhere to very stringent confidentiality and security policies and take extreme care in screening our applicants. In light of these procedures our training is mandatory and we require each of our volunteers to commit consistent service to our organization for a term no shorter than **one-year or 120 total hours, in addition to training requirements**. This time commitment can be arranged to fit your schedule. All candidates must follow the application process outlined below.

### Application

All areas must be complete. **Incomplete applications cannot be processed, which will result in a delayed response.** By accepting this application packet, you release **casfv** from providing reason(s) for non-acceptance.

- **resume** – each intern must submit a resume with their application
- **personal references** – list two personal references on your application
- **schedule** - please give a tentative schedule, and **casfv** will try to accommodate your needs
- **criminal background check** – this page **must be notarized** in order for the criminal background investigation to be processed; a **casfv** staff member can notarize it for you if necessary; volunteers cannot have any felony or misdemeanor convictions on their record within the previous five years; **assault charges at any point in time, of any kind, are unacceptable and volunteer/intern placement will be denied**, because of the types of services **casfv** provides

**Due to casfv's limited budget, volunteers and interns must pay a \$3.00 fee for the background check. Please make check or money order payable to the Center Against Sexual & Family Violence. We also accept cash or credit cards.**

### Interview(s)

Volunteers, interns, and **casfv** employees are all screened in the same way. Once the background check has been completed, potential volunteers will be contacted and interviewed by the Volunteer Coordinator. Interns will follow the same process **and** complete an additional interview with their potential supervisor.

### Acceptance

Volunteers and interns who have been accepted will be notified via phone or email.

### Training

All direct-service volunteers and interns are required to attend a training session **before** they begin working with clients. **BECAUSE CLIENT NEEDS ARE CASFV'S MAIN PRIORITY, NO EXCEPTIONS WILL BE MADE.** On occasion, a volunteer or intern will be invited to training before all necessary paperwork has been completed. In such an instance, an invitation to **casfv** training **does not** necessarily mean acceptance as a volunteer, the interview process must still be followed.

Please feel free to contact us with any questions or concerns at 593-1000, extension 465 or visit us online at [www.casfv.org](http://www.casfv.org). Once again, thank you for your interest in helping us champion our survivors as they continue to learn that with hope they become mighty.
