

Thank you for your interest in serving on the board of directors for the Center Against Sexual and Family Violence. Your valuable input and perspective as a board member will help CASFV continue its work to help victims of family violence and sexual assault. By sharing your time and expertise, victims will continue to receive crucial services that will keep them safe, begin their transition to a violence-free life, and offer support to them as they face many obstacles. We are equally committed to violence prevention through community education and advocacy. By joining CASFV, you are standing with us to confront domestic violence and sexual assault in all its forms and bring safety, support, and empowerment to victims.

Maya Angelou said, "I have found that among its other benefits, giving liberates the soul of the giver."

As a board member, you give that which is most valuable – your time.

I would be glad to visit with you about our work and give you a tour of our facilities, should you be interested. Again, thank you for your willingness to serve our community.

Sincerely,
